Planning grid

Grille de planification

Only 3 steps to plan your favorite space.

Seulement 3 étapes pour planifier votre espace de rêve.

1

Take the dimensions of the room and write them on the plan.
Note the dimensions of fixed elements such as windows, doors, electrical outlets...
Prenez les dimensions de la pièce et les écrire sur le plan.
Notez les dimensions des éléments fixes tels que fenêtres, portes, prises électriques...

2

Integrate the appliances: Stove, refrigerator, dishwasher...
Continue with the corner base module in order to clearly delimit the space.
Always enter the width, height and depth.
Intégrez les électroménagers : Cuisinière, réfrigérateur, lave-vaisselle...
Poursuivre avec les cabinets de coin afin de bien délimiter l'espace.
Toujours suivre cet ordre : largeur x hauteur x profondeur.

3

Finalise by inserting the base cabinets, the wall cabinets and the door of your choice.
Finish by listing the accessories such as exposed panels, toe kicks, etc.
Finalisez en insérant les cabinets du bas, les cabinets muraux ainsi que les portes de votre choix.
Terminez en énumérant les accessoires tels que les panneaux apparents, les coups-de-pied...
